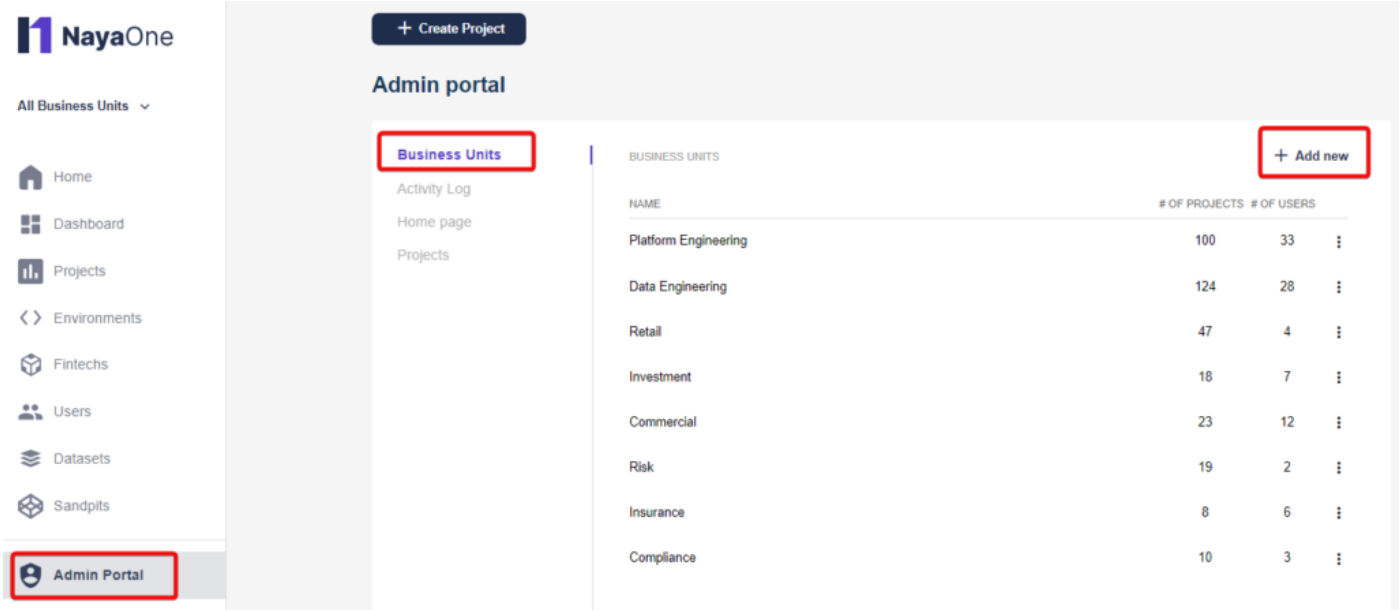
How to add Business Units

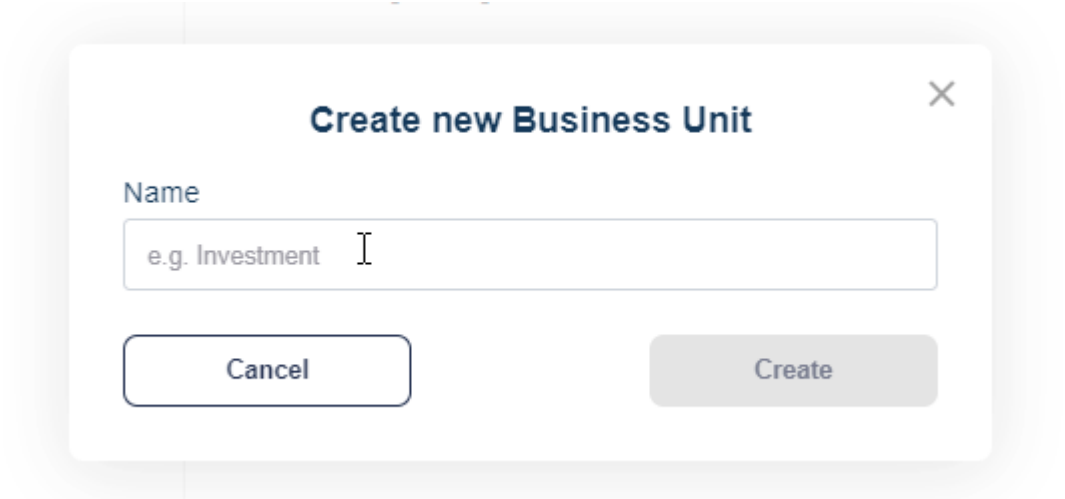
Managing Users · https://nayaone.com/lou0lh9x2qkjngmo3lq4nz09dxorxnzcz51dpqp8/account-en/how-to-add-business-units/

You can edit and add Business Units to reflect your use cases.

Click **Admin Portal > Business Units > Add new**:



Enter the Business Unit name (check the Business Unit name doesn't exist already) and click **Create**:



The Business Unit now appears in your list. To **edit or delete** a Business Unit, click the **three dots** next to its name:

Compliance	10	3	⋮
Governance	0	0	⋮
