User roles

Managing Users · https://nayaone.com/lou0lh9x2qkjngmo3lq4nz09dxorxnzcz51dpqp8/account-en/user-roles/

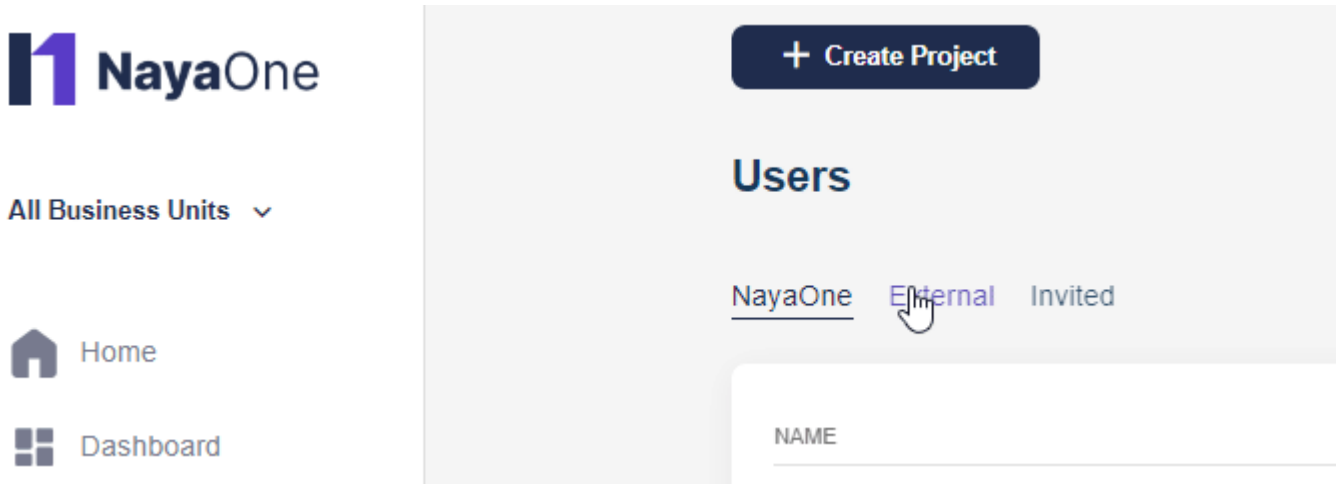

You can change users' roles, invite new users, and activate or deactivate their roles.

How to view users

Click **Users** in the sidebar:

You can switch between users on the **platform**, **external** collaborators, and **invited** users:
