How to add extra plugins to a Sandpit

Configuring your Sandpits · https://nayaone.com/lou0lh9x2qkjngmo3lq4nz09dxorxnzcz51dpqp8/sandpits-for-dev-en/how-add-extra-plugins-sandpit/

You may want to extend your Sandpit with plugins such as Snowflake.

This requires technologies to be integrated into the Marketplace. They then become accessible in the Sandpits. Please contact your Account Manager or email support@nayaone.com with your request.
