Sandpits overview

https://nayaone.com/lou0lh9x2qkjngmo3lq4nz09dxorxnzcz51dpqp8/uncategorized/sandpits-overview/

Explore your evaluation environment and discover potential solutions and partners.

Sandpits are where you add your project's Fintech, and choose one of three Sandpit types:

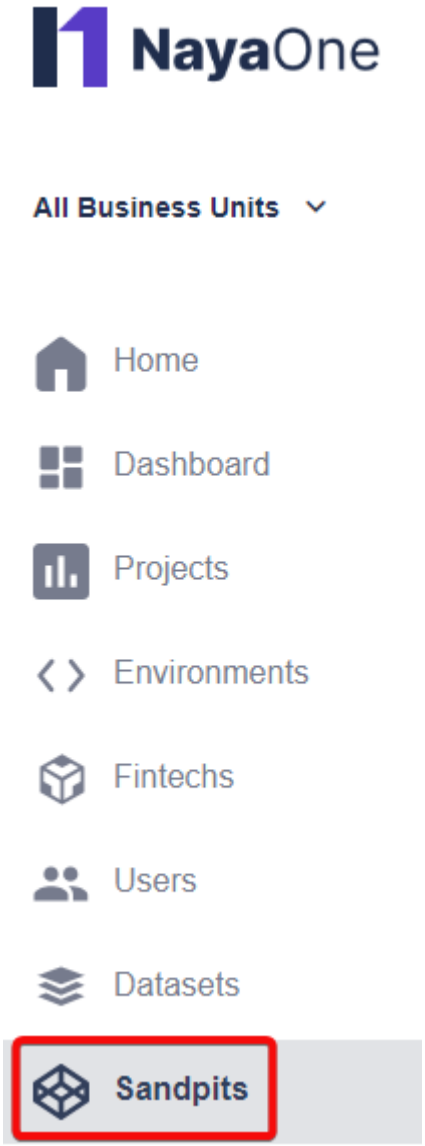

- Data Science Sandpit

  Analyse machine learning models using data
- Cloud Sandpit

  Deploy Fintech apps leveraging native cloud resources
- SaaS Sandpit

  Test UX/UI, workflows and experience of a SaaS
