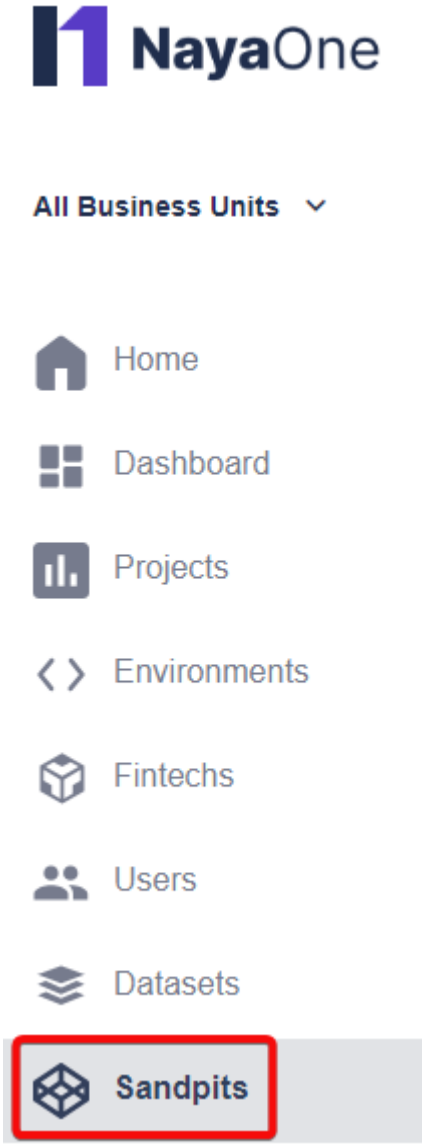
# How to add third-party collaborators to a Sandpit

Working in Sandpits · https://nayaone.com/lou0lh9x2qkjngmo3lq4nz09dxorxnzcz51dpqp8/sandpits-for-users-en/how-add-third-party-collaborators-sandpit/

**You can invite people to participate and launch a Sandpit. They can't adjust settings.**

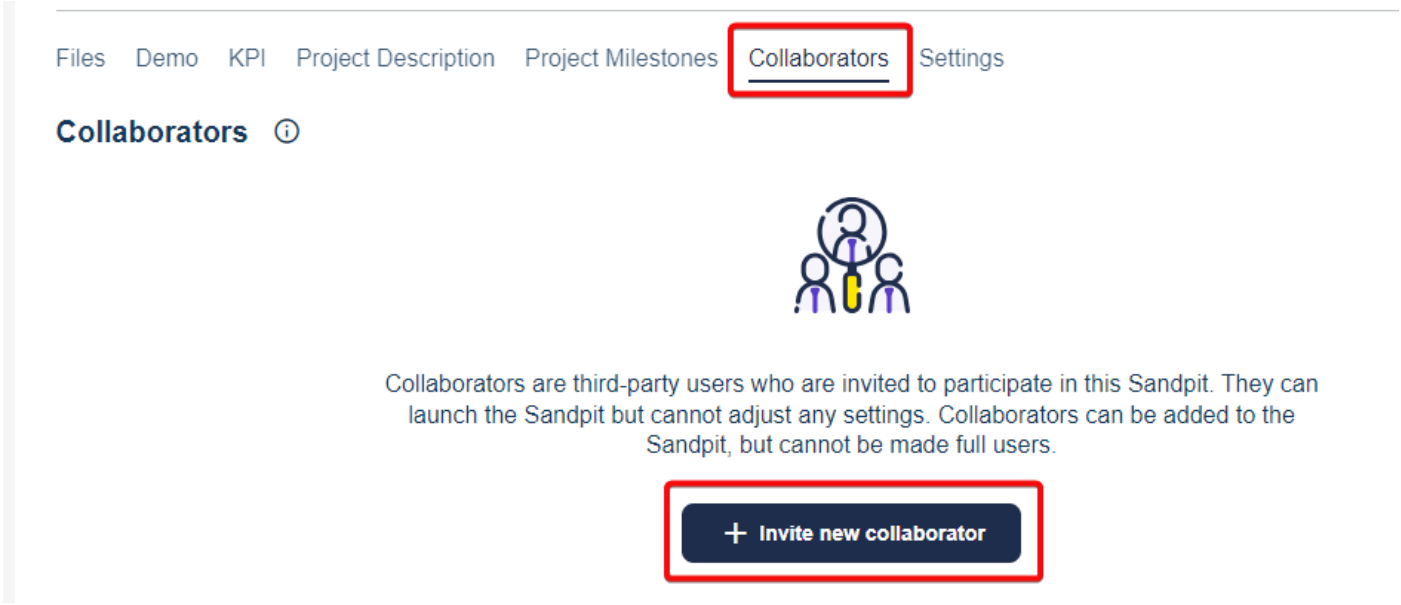
You can also invite colleagues to Projects.

Click **Sandpits**:



Click the Sandpit that you want to invite people to.

Click the **Collaborators tab > +Invite new collaborator**:



Enter their details and click **Invite**
