Wealth management property valuations

Use Case Library · https://nayaone.com/lou0lh9x2qkjngmo3lq4nz09dxorxnzcz51dpqp8/use-cases-library-en/wealth-management-property-valuations/

Learn how to evaluate a wealth management solution using the NayaOne platform.

This video shows you how to

1. Pull in a synthetic Dataset
2. Create dossier IDs to get valuation data
3. Call APIs
4. Explore the SaaS environments
